

## Upstate Collegiate Box Lacrosse League

### 2023 Sponsorship Opportunities

The Upstate Collegiate Box Lacrosse League, powered by the Buffalo Bandits, Rochester Knighthawks, and US Box Lacrosse (USBOXLA) are looking for sponsors for the 2023 season. We would be honored to work with local businesses and leaders in the community to help provide our athletes the opportunity to play high level box lacrosse which can help achieve the dream of playing professionally. Many players in the UCBLL play high level NCAA lacrosse. Following the 2021 season, two of our players were drafted into the National Lacrosse League and a third player was extended free agent contract. Each of these players are trying to grow their game to better themselves both on and off the field through hard work, passion and commitment to the sport of lacrosse.
